#### LEGISLATIVE COMMITTEES

The members of the Commission appeared before various committees of the Legislature on matters pertaining to racing.

The Commission has endeavored at all times to cooperate in every way with the members of the various committees of the Legislature, special commissions established by the Legislature and all other State agencies. The Commission has furnished the various committees and all other interested parties with all information requested.

#### RULES OF RACING

The Rules of Horse Racing as adopted by the Commission for the year of 1963 were in effect during the year of 1964.

The Rules of Dog Racing as adopted by the Commission for the year of 1964 were in effect during the year of 1964.

The Commission amended the Rules of Harness Horse Racing after a public hearing held on June 10th, 1964, as provided by the Administrative Procedure Act (Chapter 681 of the Acts of 1954).

#### SALIVA AND URINE TESTS

The Commission continued the program of analyzing the saliva and urine of every winning horse and any other horse designated by racing or commission officials. Each such designated horse is under the surveillance of a State Police Officer and a Commission Inspector from the moment the race is over until the specimens of the saliva and urine are obtained.

The samples obtained are forwarded immediately by the State Police to the Racing Laboratory maintained by the Department of Public Safety at 1010 Commonwealth Avenue, Boston, for analysis.

This system has met with the approval of horsemen by reason of the protection of the samples against tampering before analysis.

At dog racing meetings held during the year of 1964 urine samples were obtained from winning greyhounds and such other greyhounds as may have been designated by racing or commission officials. These samples were also transported immediately by the State Police to the Racing Laboratory of the Department of Public Safety for analysis.

During the year of 1964 there were 6,244 saliva and urine samples taken and analyzed. These samples were divided as follows:

	<i>Saliva</i>	<i>Urine</i>
Thoroughbred Horse . . . . .	1,161	1,006
Standardbred Horse (Harness) . . . . .	941	452
Greyhounds . . . . .	—	2,684
	<u>2,102</u>	<u>4,142</u>

None of the samples analyzed were reported to the Commission as positive.

#### UNPAID PARI-MUTUEL TICKETS

During the year of 1964 the sum of \$102,003.60 was received from the several racing associations, being the entire remaining sum of pari-mutuel tickets issued during the year of 1962 which were valid for payment but not claimed for redemption before January 1st, 1964.

An audit will be conducted in January 1965 of the books of the various associations concerning the dollar value of pari-mutuel tickets issued during the year of 1963 which were valid for payment but not claimed for redemption before January 1st, 1965. From information available at this time it now appears that the following approximate amounts will be received:

*Eastern Racing Association, Inc.....	\$30,220.50
**Hancock Raceway, Inc.....	2,545.00
Revere Racing Association, Inc.....	21,640.50
Massasoit Greyhound Association, Inc.....	6,748.40
Taunton Greyhound Association, Inc.....	5,621.60
Bay State Harness Horse Racing and Breeding Association, Inc.....	7,988.40
Marshfield Agricultural and Horticultural Society.....	578.00

Hampshire, Franklin and Hampden Agricultural Society.....	1,769.70
Barrington Fair Association, Inc.....	3,236.40
Brockton Agricultural Society.....	783.10
Berkshire County Fair Association, Inc.....	683.10
Middleborough Agricultural Society.....	426.80
Essex Agricultural Society.....	802.70
Rehoboth Fair, Inc.....	910.80
	<hr/>
	\$84,822.70

\*Includes both running horse and harness horse racing meetings.

\*\*Hancock Raceway, Inc. is now in bankruptcy. The matter of the 1963 unpaid winning pari-mutuel tickets in the amount of \$2,545.00 has been referred to the Attorney General. The Attorney General's Office on July 9th, 1964 informed the Commission in part as follows: "... Leonard Cohen, Trustee in Bankruptcy informed this office that Referee in Bankruptcy Glennon and his Attorney Clafes concurred in the position taken by the State Racing Commission that the funds in the "Unpaid Pari-Mutuel Ticket Account" belong to the Commonwealth and that we therefore need not anticipate litigation to recover the money."

When the audit of the books of each association by Commission Accountants of the unpaid ticket account has been completed there may be a variance from the reported total shown above. The audit will ascertain whether the amounts reported are correct and that each licensee has in its files cancelled checks and cashed tickets that will reconcile its reported total with the amount shown on its pari-mutuel records on the closing day of each meeting.

#### LICENSES AND REGISTRATIONS

In accordance with Section 9-A of Chapter 128-A of the General Laws and to aid the Commission in the enforcement of its rulings, owners, trainers, jockeys, agents and stable employees at the horse track; owners, trainers and agents at the dog tracks and owners, trainers, drivers, agents and stable employees at the harness tracks were all licensed. Colors, assumed names, partnerships, etc. were registered with the Commission.

Through this system a definite record of all persons directly involved in racing is available to the Commission at all times. During the year of 1964 the sum of \$29,311.60 was realized from all licenses and registrations. The Commission has found this system a most effective aid to its supervision.

#### REVENUE

During the calendar year of 1964 the gross revenue to the Commonwealth from licensed pari-mutuel racing amounted to \$15,242,233.34 compared with \$15,001,725.34 for the year of 1963.

The number of days of racing in 1964 by all licensees combined were four hundred and thirty-four (434) compared with four hundred and thirty-one (431) in 1963.

Wagering in the Commonwealth at horse and dog racing meetings amounted to \$189,641,818.00 compared with \$187,057,423.00 in 1963.

## AGRICULTURAL PURPOSE FUND

During the calendar year of 1964 the total receipts paid into the Agricultural Purpose Fund by licensees conducting meetings in connection with state or county fairs amounted to \$475,866.71.

This amount compares with:

1963 .....	\$385,417.03
1962 .....	416,563.86
1961 .....	394,981.19
1960 .....	358,667.22
1959 .....	313,291.01
1958 .....	271,034.18
1957 .....	255,719.18
1956 .....	184,671.18
1955 .....	141,764.35
1954 .....	103,263.21

The receipts paid into the Agricultural Purpose Fund by licensees conducting racing meetings in connection with state or county fairs consists only of such payments as are made under the provisions of Section 5, Chapter 128-A of the General Laws (3½% of the total handle over \$65,000.00 daily and one-half of the breakage).

## NATIONAL ASSOCIATION OF STATE RACING COMMISSIONERS

The Commission continued its membership in the National Association of State Racing Commissioners. This organization comprises the members of the Racing Commissions of twenty-six (26) states where racing is legalized as well as the supervising authorities of Canada, Mexico, Puerto Rico and the Bahama Islands. The Association acts as a clearing house for changes in rules, statistical information; rulings of other Commission and rulings of racing officials throughout the countries of North America.

A regular and timely bulletin service is maintained from the office of the Secretary at Lexington, Kentucky. These bulletins contain the current rulings of all tracks and Commissions and are of vital importance in maintaining correct records of all persons connected with racing and the reciprocal enforcement of rulings of other States.

In addition, the Association, through its Greyhound Division, also publishes a bulletin containing rulings against greyhound personnel, rule changes and other information pertinent to greyhound racing.

The Annual Convention of the National Association of State Racing Commissioners was held at Chicago, Illinois from June 22nd to June 26th, 1964. The Massachusetts State Racing Commission was represented by Chairman Amos E. Wasegatt, Jr. and Commissioner Grover T. O'Brien.

#### RECOMMENDATIONS

At a meeting of the Commission held on Wednesday, November 4th, 1964, it was unanimously voted to adopt the following recommendations for changes in the racing law and to include the same in the thirtieth annual report of the Commission for the year ending December 31st, 1964. The necessary drafts of legislation to carry out the recommendations have been filed with the Legislature:

1. The temporary tax on the total amount wagered at horse and dog racing meetings, first enacted in 1945, renewed in 1947 and increased from one per cent to two per cent in 1949 and renewed at the same rate in 1951, 1953, 1955, 1957, 1959, 1961, 1963 and 1964 expires on December 31st, 1964. To sustain the revenue to the Commonwealth from racing the Commission recommends that the temporary tax of two per cent of the total amount wagered at horse and dog racing meetings be renewed for two years. Based on the estimated total amount which will be received in 1964 this temporary tax is calculated to bring in revenue of \$1,900,000.00 for the remainder of the fiscal year of 1965 and approximately \$3,750,000.00 for the fiscal year of 1966.
2. Competition from the neighboring States of Rhode Island, New Hampshire and Vermont for racing dates and the over-lapping of dates with Massachusetts tracks has become a serious threat to the well being of racing in the Commonwealth and the tax revenue derived therefrom. The laws of these three states do not contain many of the restrictions which are contained in the Massachusetts law. For instance, tracks in these states may run at any time of the year with no opening or closing date prescribed by law; there is no restriction on the number of days of racing in a calendar year; there is no restriction on the time of day when racing may be conducted. By comparison Massachusetts is restricted in the number of days, time of year, time of day, etc. With this knowledge our neighboring states know exactly how far this Commission can go—and the Commission is thus placed in the position of being unable to bargain or compromise with these other states to obtain the best possible dates without competition from tracks in other states. It is a well known and undisputed fact that the tracks in the three neighboring states draw a very large percentage of its patronage from Massachusetts. All of these outside tracks are located in close proximity to the Massachusetts border. Therefore, the Commission is recommending the following changes in the present law:
  1. That after the granting of a license and upon the request of the licensee, the Commission, after proper notice and a public hearing, may change the dates awarded.
  2. That horse racing meetings be permitted between February first and November thirtieth of each year, both dates inclusive.
  3. That dog racing meetings be permitted between April first and November thirtieth of each year, both dates inclusive.
  4. That the number of days of running horse racing be increased from ninety to one hundred and twenty in each year.
  5. That the number of days of harness horse racing be increased from ninety to one hundred and twenty in each year.

6. That the time of day for horse racing be changed to provide that thoroughbred racing (running horse racing) may be conducted at night under certain conditions.
3. When the racing law was adopted in 1934 it provided that the Commission require a bond from each licensee conditioned upon the payment of all sums that may become payable to the commission under the provisions of Chapter 128-A of the General Laws. In the case of so-called commercial tracks the maximum amount of the bond was \$35,000.00—the law provides that in the case of fairs the maximum amount is \$5,000.00. With the changes that have taken place since 1934 both in the tax formula for racing and the amount of money wagered at the various tracks, the revenue to the Commonwealth has risen from approximately \$1,600,000.00 in 1935, the first year of racing, to approximately \$15,000,000.00 at the present time. In order to properly protect the revenue to the Commonwealth the Commission recommends that it be empowered to require bonds from all licensee in such amounts as it may see fit but not to exceed \$100,000.00 at commercial tracks and \$25,000.00 at racing meetings conducted in connection with state or county fairs.
4. It is recommended that licensees of the Commission conducting running horse or harness horse racing meetings be required to install and maintain a proper system of photographing the running of every race. This system is commonly known as "Film Patrol." This "Film Patrol" is now in use at two running horse racing tracks, one harness track and three of the fairs that have running horse racing. The Commission is of the opinion that the standard of racing has been raised at the tracks where the "Film Patrol" is in use and has been an invaluable aid to the racing officials in determining fouls and questionable tactics during the running of a race. The films of the race are developed rapidly and are available for viewing by the officials before the race is declared official—thus offering further protection to the wagering public. The films are viewed on the day following the race by the officials and the jockeys or drivers and the faults, not sufficient to cause disqualifications or suspensions, are pointed out with a view of correcting the same in future racing. The "Film Patrol" is not a monopoly and several firms are offering a very satisfactory service.
5. It is recommended that Section 3, Chapter 128-A of the General Laws, subsection (L) be corrected to conform to the present law by changing the word "ten" as appearing therein to the word "twelve."
6. It is recommended that the fourth sentence of the fifth paragraph of Section 5, Chapter 128-A of the General Laws be amended by striking out the sentence "A licensee holding a racing meeting in connection with a state or county fair may retain the fifteen per cent withheld as provided in this section, from the total amount wagered." This recommendation is made in view of the provisions of the sixth paragraph of the same section.

#### NEW LEGISLATION

During the legislative session of 1964 the following changes were made in Chapter 128-A of the General Laws:

- Chapter 218. An Act continuing the temporary tax imposed by the Commonwealth on amounts wagered at certain horse and dog racing meetings conducted under the pari-mutuel or certificate system of wagering.
- Chapter 559. An Act relative to the placing of questions authorizing horse or dog racing in counties on the official ballot at biennial State Elections.
- Chapter 686. An Act limiting the location of racing meetings in connection with State or County Fairs.

#### RACING CALLED OFF

At the dog racing meeting of the Taunton Greyhound Association, Inc., Dighton, Bristol County, the program of racing for the night of Wednesday, October 28th,

1964 was called off after the running of the third race due to a power failure. The Commission, after full consideration of the conditions existing on Wednesday, October 28th, 1964, found that it was impossible and impracticable for the Taunton Greyhound Association, Inc. to conduct racing after the third race on this day.

On Thursday, October 29th, 1964, the Taunton Greyhound Association, Inc. filed a supplementary application for a license to conduct one day of racing, November 2nd, 1964 to make up for the program lost on October 28th, 1964. This application was filed under the provisions of Section 4, Chapter 128-A of the General Laws.

Upon receipt of the application the Commission immediately submitted a request to Attorney General Edward W. Brooke requesting an opinion from him as to whether the Commission had the power to consider the application of the Taunton Greyhound Association, Inc. for one day, November 2nd, 1964 in view of the provisions of Chapter 128-A of the General Laws, Section 3, paragraph (e).

On Friday, October 30th, 1964 the Attorney General's Office notified the Commission, orally, to be followed with a written decision, that it was within the discretion of the Commission to grant a make-up day to the Taunton Greyhound Association, Inc. on November 2nd, 1964 and the granting of this day, even though it is beyond the date of October 31st, is not in violation of the provisions of Section 3, Chapter 128-A of the General Laws, paragraph (e). The written opinion was signed by Attorney General Edward W. Brooke, dated November 5th, 1964 and was received by the Commission on November 6th, 1964.

A public hearing on the application of the Taunton Greyhound Association, Inc. for a make-up day on November 2nd, 1964 was held at the Dighton Town Office, Dighton, on Saturday, October 31st, 1964. After full consideration the Commission voted, at a meeting held at the Dighton Town Office, Dighton, on Saturday, October 31st, 1964, to grant a license for one day to Taunton Greyhound Association, Inc., November 2nd, 1964 and the license was accordingly issued.
